Dairy Seasoning Blends

Bringing better flavors to life

People have always loved to snack.

The number of snack varieties and seasoning flavors has exploded in recent years. Food manufacturers need to constantly craft new flavors to keep up.

A Snack for Every Seasoning

Bluegrass Ingredients helps leading food brands find and formulate the flavors their customers crave. **From classic options like sour cream & onion and BBQ to trending flavors like spicy nacho and creamy dill**, we offer a comprehensive portfolio of flavor solutions.

Think Outside the Bag

We offer custom dairy-based flavors as well as vegan and alternative seasonings with an unwavering commitment to exceptional service and consistent supplies.

Driven by shifting dietary preferences and modern innovations, food brands are looking to stay one step ahead of new seasoning trends.

Our seasoning blends and custom formulations satisfy rising demands for clean-label products, plant-based options, and more, while adhering to consumer expectations for texture and taste.

Applications

- ✓ Snacks
- ✓ Breads and crackers
- ✓ Baked goods
- ✓ Dips and dressings
- ✓ Prepared meals

Crafting Exciting Combinations

Our expertise and state-of-the-art capabilities in blending, seamlessly integrated with our collaborative approach, allows us to quickly innovate and formulate trending flavors and seasoning blends with a focus on craveable dairy and spice combinations.

Your Partner in Better Flavors

From delivering iconic seasonings to precise flavor-matching and innovative new combinations,

Bluegrass partners with customers to develop and deliver seasonings that satisfy market demands.

Bluegrass Ingredients operates at the cutting edge of taste and flavor trends. The **Bluegrass Agile Ingredient Innovation™** Model is custom built to help brands and flavor houses achieve the rapid food innovation they need to stay ahead of today's dynamic consumer taste and dietary demands.
